7	Offer name tags or name cards for each person in attendance (name tags to be returned at end of each meeting!)	8	Literature can be paid w/credit card	7	We need to get ads in newspapers, radio, TV, billboards, on buses
6	Seating in room. All around table.	7	Have a 24 hour answering service that can forward calls to an AFG member if its an emergency, give office hours, meeting addresses, or website. No one will ever have to leave a message and wait for someone to call back.	6	Distribute info to therapists (psychologists etc) offices to put on a bulletin board etc in waiting room
5	More open seating arrangement (can be intimidation when new - "insiders" sit at table.	5	Rearrange office for more room by literature	6	Talk to school counselors. They don't know the difference between AA & AFG. Send website info.
5	Name tags	4	More AI-Anon Faces Alcoholism to give to groups	5	I think getting info about AFG/alateen to AA (Central Office) so they can pass the info to their family and friends that recovery is available to them (give them literature? Send someone to speak to Alas about AI-Anon/Alateen
4	Coffee	3	On outgoing message of phone, please list out hour office will be open for that week - indicate messages will be returned if necessary	5	Place info cards on the COTA and campus buses
3	Keep reading concepts (<i>This was not on the original list. However, "omit reading of [12] Concepts" was originally a suggestion. 3 people felt strongly and reworded the original suggestion).</i>	3	remove the counter, push desks back even with window - gives more space for fellowship to purchase literature - counter separates volunteer from people	4	Workshops as events sponsored by Intergroup to improve service involvement, which would eventually improve outreach
3	Tables and chairs arranged so no one is facing the back of another	2	Improve communication re: need for volunteers - see suggestion of take home sheet for GRs to pass out	2	Donate soft literature to counseling centers to leave in waiting rooms
2	Mail information USPS to groups ahead of time so all groups ahead so all groups have knowledge of what's going on	2	it is difficult for those of us vertically challenged to see the literature on the higher shelves in the office. It would be great if we could move that down to eye level and use the top shelves for storage	2	Regular "forum" outreach free pamphlets for professional/public locations
2	Send info pack for intergroup to GRs by email in the week before the meeting	1	Hang curtains in the office	1	AFG leads "advertise" mention @ their meetings - helps change the impression of "AI-Anons"
1	Announce "good works" to encourage members	1	Love the LDC as it is. Great job.	1	Citywide picnic w/AFG & AA lead to bring all groups together
1	Cleaner facility to hold meetings with repairs to wallpaper, etc.	1	Need one or two days office will always be staffed	1	Do liquor stores and carryout's have a spot to leave our cards/schedules? Sounds strange but how many non-alcoholics go to get the juice?
1	Cut out administrative (meeting etiquette) material from agenda	1	Tone down the color of the paint. It is stressful to me anyway. Suggestion pale blue	1	More billboards
1	Intentional leadership development - educational component of each meeting is a move in the right direction. What's the next step	1	Too much space for volunteers and too little for purchases		Ask "Do you have a friend that is hurting because of living w. alcoholism
1	New to "parliamentary procedure" so hard to speak up or out - group was good about acknowledging that new attendees may be overwhelmed & good idea to address this more		Audrey to go around and ask for volunteers again		Carry literature on you to give out
1	Sponsors encouraged		encourage help line volunteers		have literature or schedules with you all the time to hand out
	Am not familiar enough to have an opinion		encourage more volunteers		how about quality apparel (caps, t-shirts, fleece jackets, etc with AFG logo)
	email further ahead		If not done already, add info or link to coafg.org website telling visitors how to get literature for visually impaired people		In newcomers welcome don't tell people they are doing everything wrong. ex. you came here to figure out, but you are the one who needs to change
	Go over the meeting at the beginning of the meeting		I'm just enjoying the improvement so far		More coordination w/AA in connection to their conferences
	how to make the meetings more "fun"				My only concern is to keep in mind this is an entity of attraction, not advertising
	Include district and # when introductions				Radio and TV coverage
	More clear explanations of why we have to do things certain way				WSO produce a pamphlet summarizing how to work steps. Less than a book more than 1 page list of steps.
	More discussion time on motions if needed				
	Omit reading of Concepts				
	Reorder handouts: 1. Table of Contents 2. Agenda 3. Old notes 4. Reports 5. New Business				
	sponsors come to meetings				
	Start late 9:30 or 10:00 am				
	There is an awful lot of talk. I found it confusion & rather tiresome. This might be a necessary evil, though - I understand that.
